IN LOVING MEMORY OF NORM REILLY

Reilly joined the UAB staff in 2002 as assistant athletics director for media relations and was named associate athletics director in 2005. Norm mentored and managed the Athletics Communications team and served as the primary media contact for UAB Football, among other sports.

Prior to UAB, Reilly spent a year as director of communications and public relations at the National Senior Games Association and five years as assistant athletics director for media relations at East Carolina. Reilly spent 15 years in the Sports Information office at the University of Georgia before ECU.

Reilly graduated from the University of Georgia in 1980 and attended graduate school at Georgia in public relations. Outside of college athletics, Reilly was involved with six Olympic Games, working for the host television broadcaster.

Reilly was a member of the College Sports Information Directors of America, the Football Writers Association of America, and the United States Basketball Writers Association. He was named a 2006 recipient of the Scoop Hudgins Outstanding SID Award by the All-America Football Foundation. In July of 2007, Reilly was honored at the annual CoSIDA Workshop in San Diego as he received the organization's 25-Year Award.

Reilly is survived by his wife, Leslie, and two sons, Trey and Graham.

WHAT THEY SAID:

"Seeing him fight every day, and how he has carried himself over these last eight years, has been inspiring. He got up every morning, loved UAB and supported us all no matter what was going on in his life. He was a great friend who accomplished a tremendous amount in his short life."
-Head Volleyball Coach Kerry Messersmith

"Norm was above all else a family man. He loved to talk about his sons, Trey and Graham, and all of their accomplishments. That family mentality is one of the reasons he fit in so well at UAB. We are a close knit family. I count it a pleasure to have worked side by side with Norm and have him part of our family for 14 years. His friendship will be greatly missed, but his inspiration will live on forever."
-Head Softball Coach Marla Townsend

"Norm loved UAB Football, and UAB Football loved Norm. He was the kindest person you could ever meet, and we will miss him and what he did for our young men and our team dearly. He's in a better place."
-Head Football Coach Bill Clark

BILL CLARK

HEAD COACH

SECOND SEASON AT UAB JACKSONVILLE STATE '90

Head Coach **Bill Clark** made it evident he was dedicated to rebuilding UAB football into a nationally recognizable program.

Clark will lead the Blazers out of the tunnel for their return to the football field on September 2, 2017 against Alabama A&M, just as he did in UAB's last game, a 45-24 victory at Southern Miss on November 29, 2014.

In Clark's first season as head coach of the Blazers in 2014, he turned around a program that was 2-10 the year before into a team that finished 6-6 and earned bowl eligibility for the first time since 2004. Clark's loyalty to the program has been paid back by the UAB Department of Athletics, Board of Trustees, donors and the city of Birmingham. Since 2015, UAB has raised over \$43 million to reinstate Football, Bowling and Rifle, and Clark has helped engineer a \$22.5 million state-of-the-art Football Operations Center.

The Football Operations Center is UAB Football's new home to coach's offices, meeting and film rooms, athletic training facilities, locker rooms, a weight room, a nutrition station and three practice fields. One of those practice fields is a pioneering open-air covered pavilion made possible by Legacy Community Federal Credit Union.

Legacy Credit Union announced the largest-ever sponsorship with UAB, a 20-year, \$4.2 million naming right agreement for Legacy Pavilion, and in the process, became the official credit union of UAB. Clark also proved that UAB will be a contender from the moment the Blazers return to the field in 2017 as he signed the No. 2 rated recruiting class in Conference USA in 2016.

In 2014, the Blazers had a school record 15 players earn All-Conference USA honors, including three first team selections (RB Jordan Howard, DE Diaheem Watkins and KR J.J. Nelson). Nelson was also named the school's first Walter Camp First Team All-American.

The Blazers also experienced the country's second-highest increase in home attendance average, growing by more than 130 percent. Prior to UAB, Clark was the head coach at Jacksonville State in 2013 and led the Gamecocks to an 11-4 record, their most victories since the 1992 campaign when JSU won the NCAA Division II National Championship. That number set an Ohio Valley Conference record and was also the most wins by a first-year head coach.

Jacksonville State earned an at-large berth in the FCS Playoffs and

captured two victories -- including a second-round win over No. 6 McNeese State to reach the quarterfinals. The wins were the Gamecocks' first-ever in the NCAA Division I playoffs.

JSU concluded the 2013 season ranked No. 10 in the final FCS poll. The Gamecocks, who ranked sixth in the nation in FCS attendance, set 49 school records in 2013 and broke 13 OVC marks, as well as three NCAA records. JSU had two players earn All-America honors and nine selected for All-Ohio Valley Conference accolades.

Clark became Jacksonville State's head coach after five outstanding seasons at South Alabama as the Jaguars' defensive coordinator. Clark's defense at USA finished second in the Sun Belt Conference in total defense in 2012 as the Jaguars completed their first full season of competition in the league. South Alabama posted the best record of any Division I FCS Independent in 2011 after winning the first 17 games in the program's history in 2009 and 2010.

During the 2010 season, South Alabama allowed only 13 points and 254.6 yards per game en route to a 10-0 record. In 2009, the Jags allowed only 5.9 points and 234 yards per game when the defense forced 25 sacks and forced 23 turnovers in only seven games.

Clark joined South Alabama in 2008 after spending nine years as head coach at Prattville (Ala.) High School where he led the Lions to national prominence. He won a pair of Class 6A State Championships as his last two teams won 30 straight games, while the 2007 squad was ranked No. 2 in USA Today's national high school poll.

Following his final season at Prattville High School, he was named the Alabama High School Athletic Association Coach of the Year and was also selected as the Schutt Southeast Regional Coach of the Year.

He first led the Lions to the Class 6A state playoffs in 2000, his second season guiding the program. Clark earned his first postseason victory a year later, helping Prattville advance to the quarterfinals before falling to the eventual state champion, which is where the Lions' season would end each of the next two falls.

Prattville made its first state championship game appearance under Clark in 2004, with the team allowing three touchdowns in four postseason contests, including a pair of shutouts. The Lions advanced to the quarterfinals of the 2005 playoffs before dropping a two-point decision.

Clark posted a 107-11 (90.7 percent) overall record during his tenure, suffering his last regular-season loss during the second week of the 2002 season.

Clark served on the staff of the Alabama-Mississippi All-Star Classic three times, including as head coach in the summer of 2007. He also served as head coach in the 2004 North-South All-Star Game. Clark began his coaching career as an assistant at Piedmont High School (1990-91) and also has coaching stints at Tuscaloosa County High School (1992-94), Coffee County (Ga.) High School (1995-96) and Dothan High School (1997-98).

He graduated from Jacksonville State in 1990 with a degree in physical education. Clark and his wife, Jennifer, have two children: daughter, Katie and son Jacob. Jacob is a long snapper for the Blazers.

LES KOENNING

OFFENSIVE COORDINATOR/QBs

FIRST SEASON AT UAB

UNIVERSITY OF TEXAS '80

A veteran coordinator with more than 35 years of experience, Les Koenning was named UAB's Offensive Coordinator and Quarterback Coach in January of 2016.

Prior to his arrival in Birmingham, Koenning served as wide receivers coach at the University of Texas in 2014. In his lone year with the Longhorns, Koenning guided John Harris to all-conference recognition as Harris hauled in 68 catches for 1,051 yards and seven touchdowns. Prior to joining the Texas staff, Koenning spent time as the offensive coordinator at Mississippi State (2009-13), South Alabama (2008), Texas A&M (2003-07) and Alabama (2001-02).

In five seasons at Mississippi State, Koenning elevated the offense to its highest levels in school history in addition to helping the Bulldogs play in four straight bowl games for the first time in school history. During that time, Koenning orchestrated what was then the top four seasons in school history in total offensive yards, the top two in passing yards and scoring, the top four in passing TDs, and two of the top four in rushing TDs.

Koenning also coached the top four quarterbacks on the career completion percentage chart in MSU history in Tyson Lee, Tyler Russell, Dak Prescott and Chris Relf.

In 2013, the Bulldogs set a then single-season record for total offense with an average of 434.4 yards per game, bettering the previous record of 422.0, set in 1982. Three of the top five averages in MSU history have fallen under Koenning's guidance (2013, 2010 and 2012). Mississippi State also set a then school record in total yards with 5,647, passing yards with 3,178, completion percentage (.590) and completions (253), all of which were marks set previously by offenses under Koenning.

Koenning came to Mississippi State from South Alabama, where he spent 2008 helping to establish the foundation for the newly developed Jaguars program that began play in 2009. Current UAB head coach Bill Clark was the defensive coordinator for USA while Koenning led offense.

Prior to that, Koenning spent five years on the Texas A&M staff, serving as offensive coordinator and working with the quarterbacks.

During his time there he oversaw the development of both Reggie McNeal and Stephen McGee. McNeal set a then single-season school record with 2,791 passing yards in 2004, while McGee put together two seasons that ranked in the top 10 at that time in 2006-07. McNeal also finished his career as Texas A&M's career passing leader with 6,992 yards and rushed for 1,889 yards, while McGee left in fourth place with 5,475 passing yards combined with 1,750 rushing yards. Both players would go on to be drafted with McNeal selected in the sixth round of the 2006 draft by Cincinnati, and McGee chosen in the fourth round of the 2009 draft by Dallas. Seven other Aggies were also drafted who played under Koenning.

Koenning went to Texas A&M from Alabama where he was offensive coordinator and quarterbacks coach for two seasons (2001-02). Alabama split time between Tyler Watts and Andrew Zow in 2001, however Ahmaad Galloway led a rushing attack that ranked ninth in the nation (226.4 ypg). The 2002 team ranked 18th in rushing (213.2 ypg) while posting a 10-3 record. Shaud Williams and Santonio Beard carried the load with 921 rushing yards and 811, respectively, while Tyler Watts and Brodie Croyle shared time at quarterback. Center Alonzo Ephraim was a two-time First Team All-SEC honoree in the two years.

Before Alabama, Koenning spent one season as passing game coordinator and quarterbacks coach at TCU in 2000. He was the offensive coordinator at Houston in 1999 and Duke in 1998 following a one-year stint in the NFL as an offensive assistant with the Miami Dolphins. Koenning had also served previously at Texas A&M as wide receivers coach from 1994-96, and he briefly held the same position at Duke in December of 1993 after also coaching wide receivers at Rice from 1990-93. His first experience at Mississippi State came from 1986-89 as running backs/wide receivers coach.

A native of Houston, Koenning began his career with graduate assistantships at Texas and Alabama before being named wide receivers coach and recruiting coordinator at UL Lafayette in 1985.

He graduated from Texas in 1981 with a degree in health and physical education, and added a master's degree in sports management two years later. He played at Memorial High School in Houston for his father, Les Koenning Sr., who was a longtime Texas high school and college coach.

Koenning and his wife, Lisa, have two children, Les and Lana.

DEFENSIVE LINE

FIRST SEASON AT UAB

ALABAMA '06

Kyle Tatum was named UAB's defensive line coach in February of 2017 following his time as the Blazers' strength and conditioning assistant since the Fall of 2016.

Tatum began his coaching career as a graduate assistant at Texas State from 2011-2012 under the direction of head coach Dennis Franchione. In 2012, he coached the tight ends and was subsequently promoted to defensive tackles coach from 2013-2015.

During the 2013 season, defensive lineman Michael Odiari was named Third Team All-Sun Belt. Odiari tripled his sack output between his junior and senior seasons, finishing with 9.0, and was recognized as a unanimous First Team All-Sun Belt Conference defensive lineman. The Bobcats' defense finished the year with 28 sacks, averaging 2.25 per contest, good for 61st nationally. The 2014 unit also boasted linebacker David Mayo, who was honored as the Sun Belt Defensive Player of the Year, in addition to second team selections Craig Mager (linebacker) and David Mims (defensive back).

Prior to entering the coaching profession, Tatum was a four-year varsity football letterman at the University of Alabama from 2002-2006, contributing his efforts to both the offensive and defensive lines. For his standout efforts in the classroom, he earned 2003 Academic All-SEC honors. After racking up 14 tackles during his redshirt freshman year, Tatum transitioned to the offensive line in 2004, starting nine games and 739 snaps at right tackle.

He proceeded to start all 12 games in 2005, again at right tackle, which included a 13-10 victory over Texas Tech in the Cotton Bowl, and was recognized as an honorable mention All-SEC offensive lineman. Tatum finished with 16 knockdown blocks during the 2006 season.

Tatum attended Prattville High School in Prattville, Ala., where he had a stellar prep career under the leadership of Bill Clark. Tatum, considered a high school All-American according to numerous publications, was a Birmingham News Dandy Dozen pick his senior year in addition to receiving honorable mention All-State honors. He led the Lions to the quarterfinals of the Class 6A state playoffs his senior year, which ended in a 17-14 defeat to eventual state champion Daphne.

THE GANG OF *Seven*

THANK YOU Birmingham

The return of UAB Football has made national headlines while the Birmingham and college football communities have been captivated by the impact the business leaders have played in the return of the program.

Last summer, Hatton Smith, CEO emeritus of Royal Cup Coffee, partnered with Blazer Boosters, the fundraising arm of UAB Athletics, to assemble the UAB Athletics Campaign Committee. Smith was appointed the committee chair to raise additional funds, with an emphasis on facilities.

Smith, along with Tommy Brigham, Justin Craft, Mike Goodrich Jr., Miller Gorrie, Craft O'Neal and Robert Simon, rallied behind the premise that a strong UAB Athletics program is important for a vibrant Birmingham.

This executive committee, endearing themselves as the Gang of Seven, utilized their passion and influence to rally the Birmingham community and assemble an all-star lineup known as the UAB Athletics Campaign Committee.

The leadership group gathers bi-weekly at Another Broken Egg in Mountain Brook to review campaign updates and discuss strategies relative to making the fundraising calls necessary to ensure success.

"The UAB Athletics Campaign Committee's impact on Blazer Football and the entire Department of Athletics has been unprecedented," Director of Athletics Mark Ingram said. "Their passion and dedication has not only impacted UAB, but it has reenergized the entire city of Birmingham. Blazer Athletics is poised to reach new heights. The Campaign Committee and our countless donors have been very instrumental in this initiative."

The results have been incredible as the leadership committee has helped raise over \$20 million to date for the new Football Operations Center and Legacy Pavilion. This total includes a substantial personal donation pledge from the Gang of Seven to kick start the campaign.

"Blazer Football is vital for the growth of UAB and Birmingham. Our group feels strongly about engaging the Birmingham community and asking other corporate leaders to support the cause," Craft O'Neal said. "The response has been overwhelming and the success of this effort proves great things happen when community and business leaders pull together."

Including the \$17.2 million raised to reinstate the Blazer Football, Bowling and Rifle programs, the UAB Department of Athletics has raised over \$43 million during the last 15 months.

"This campaign is about making the community stronger, together," said Miller Gorrie. "Football is deeply rooted in the fabric of this city's cultural life, so our platform is UAB Football, but this story is about creating a stronger Birmingham."

"This is the most important initiative in our city's history over the last 50 years," Brigham added. "Success in athletics has proven to be a key component in the growth of undergraduate and graduate enrollment. For every 1,000 students at UAB, there is an economic impact of \$50 million annually, so from our standpoint, we are creating a new economy for Birmingham."

The UAB Athletics Campaign Committee will see their hard work come to fruition on September 2, 2017 when the Blazers make their triumphant return to the field against Alabama A&M. The state-of-the-art Football Operations Center opened in July of 2017 and is the new home to UAB Football offices, film rooms, weight room, players lounge and three practice fields.

"We are grateful for the outstanding work of the fundraising team which keeps building our momentum," head coach Bill Clark said. "Through the tremendous support of so many individuals and corporations, I am confident UAB Football is poised for unprecedented levels of success."

RAY L. WATTS

PRESIDENT

UAB '76

WASHINGTON UNIV. SCHOOL OF MEDICINE '80

Ray L. Watts, M.D., UAB's seventh president, has demonstrated visionary leadership in education, research and clinical care throughout his career.

A Birmingham native and graduate of West End High School, Dr. Watts earned a bachelor's degree in engineering at UAB in 1976. The collaborations he had with biomedical engineering students as an undergraduate inspired him to expand his career horizons and, four years later, he graduated from Washington University School of Medicine in St. Louis as valedictorian of his class.

Dr. Watts completed a neurology residency, medical internship, and clinical fellowships at Harvard Medical School and Massachusetts General Hospital, followed by a two-year medical staff fellowship at the National Institutes of Health. Before returning to UAB in 2003, he was part of a team that helped to create an internationally renowned research and clinical center for Parkinson's disease and other movement disorders at Emory University in Atlanta.

At UAB, Dr. Watts served as the John N. Whitaker Professor and Chairman of the Department of Neurology. There he led the development of an interdisciplinary research program aimed at translating scientific breakthroughs into promising new therapies for neurodegenerative diseases and played a key role in the establishment of the UAB Comprehensive Neuroscience Center. He also was named president of the University of Alabama Health Services Foundation.

In 2010, Dr. Watts accepted the position of Senior Vice President and Dean of the School of Medicine at UAB, and later was named to the James C. Lee Jr. Endowed Chair. As dean, Dr. Watts – in partnership with UAB Health System and Health Services Foundation leaders – initiated the AMC21 comprehensive strategic plan, encompassing education, research, clinical care and primary care. AMC21 aims to make UAB “the preferred academic medical center of the 21st century,” and has led to the recruitment of outstanding faculty, the launch of programs to accelerate research and drug discovery, and the development of a third regional medical campus in Montgomery, among other successes.

He has been tireless in his efforts to enhance medical student training—from increasing available scholarships to supporting Equal Access Birmingham, a volunteer organization in which students provide care to under-served patients—and to foster stronger relationships with medical alumni throughout the state.

“People want to invest in the future—in solutions that will have a real impact on our health, education and our economy,” Dr. Watts has said. “So the state and community want us to develop our ideas and capitalize on opportunities to lead. UAB can be one of the most dynamic and productive universities of the 21st century, and that is our vision.”

Dr. Watts and his wife Nancy, who worked at UAB as a nurse before retiring, have five grown children.

DIRECTOR OF ATHLETICS

MARK INGRAM

DIRECTOR OF ATHLETICS

THIRD YEAR AT UAB

TENNESSEE '96

Mark Ingram, a veteran administrator with an extensive background in athletic development, was named UAB's Director of Athletics in May of 2015.

Ingram has guided the UAB Department of Athletics through its most unique and unprecedented era of collegiate athletics with the reinstatement of Football, Bowling and Rifle, while experiencing record-setting performances on the fundraising trail and in the classroom.

In two years under Ingram's leadership, the UAB Department of Athletics has:

- » Reinstated UAB Football, Rifle and Bowling
- » Raised more than \$43 million in cash and pledges for UAB Athletics
- » Received approval from the University of Alabama Board of Trustees for a \$22.5 million football practice facility, which includes a \$4.2 million sponsorship and naming agreement with Legacy Credit Union – the largest of its kind in UAB Athletics history
- » Received approval from the University of Alabama Board of Trustees for the expansion of UAB Softball's grandstands and pressbox
- » Fall of 2016 overall student-athlete GPA of 3.14, which is the highest ever on record, surpassing the Fall of 2015 GPA of 3.13, which also fell under Ingram's watch
- » The Blazers had 13 of their sports teams record a perfect 1,000 APR multiyear rate for the 2015-16 academic year
- » UAB student-athletes compiled 3,595 community service hours in 2015-16, which was the most in the program's history
- » Competitively, men's basketball won the 2015-16 C-USA regular season title. Softball won the 2016 C-USA Western Division regular season title
- » The 2016-17 season marked the seventh-consecutive season UAB has had representation in the Men's Golf NCAA Tournament.

Ingram helped engineer the 46,000 square foot Football Operations Center which features an open-air pavilion covering the turf practice field, making UAB a pioneer in this architectural design. The football project, along with the softball complex expansion, are just a few in Ingram's overall facilities master plan.

Along with a tremendous fundraising effort and facility upgrades, Ingram also played an instrumental part in helping the 2017 Conference USA Men's and Women's Basketball Championships return to Birmingham for a third straight year.

Prior to arriving in the Magic City, Ingram was most recently the Associate Vice President/Executive Senior Associate Athletics Director at Temple University.

Ingram spent three years at Temple and two as Associate Vice President/Executive Senior Associate Athletics Director. He served as sport administrator for Men's Golf and Women's Lacrosse. Ingram joined Temple from the University of Tennessee, where he was Senior Associate Athletic Director.

In five years at Tennessee, his alma mater where he was a two-year starter for the Vol's football team, Ingram was responsible for the planning and strategy for the department's Capital Campaign that raised \$336 million during his tenure.

Before joining the Tennessee staff, he served as Assistant Athletics Director for Development at the University of Georgia for two years and Assistant Athletics Director for Development at the University of Missouri.

Ingram, a Winston-Salem, N.C., native, graduated from the University of Tennessee in 1996 with a bachelor's degree in sports management and minors in business and psychology. As a student-athlete, Ingram was a two-time Academic All-SEC honoree and was twice awarded the Volunteer award, given to the most valuable player who was formerly a walk-on. Also a member of the SEC Good Works Team, Ingram earned his master's degree in sport administration from Tennessee in 1997.

Ingram and his wife Amy have four children: John, Anne Lauren, Charlie and Audrey.
